

# Create Text to Speech Services

The screenshot shows the IBM Watson IoT Platform interface. The top navigation bar includes the IBM Cloud logo, a search bar, and links to Catalog, Manage, and the user's account (Abishek A's Account). The main content area is titled 'Text to Speech-qx' and shows the service is 'Active'. A sidebar on the left contains links for Manage, Getting started, Service credentials (selected), Plan, and Connections. The 'Service credentials' section displays a table with one entry: 'Auto-generated service credentials' created on '2022-11-07 9:18 PM'. A 'New credential' button is visible in the top right of the credentials list.
